You MUST press the SAVE TEXT BOX or CANCEL EDIT butto

Subject:

A rich text editor toolbar containing icons for source code, undo, redo, bold, italic, strikethrough, text color, background color, bulleted list, numbered list, link, unlink, search, and font settings. A red box highlights the search and font settings area, with a red arrow pointing to the search icon.

This is one line of text

and this is the next line. Can I select these lines? Yes, good.
